GENERAL & REVENUE SECRETARIAT 7430 JUN1948 MUNICIPAL BRANCH

To

The Secretary to Government,
Revenue Department,
BANGALORE.

Sir,

In enclosing herewith the extract of the resolution [illegible] Shimoga Town Municipal Council passed at the meeting held on 28-2-48 in the matter of the payment of a sum of Rs 20/- to the Veterinary Inspector as slaughter House inspection allowance, I have the honour to state as follows -

In view of the heavy work devolving on the Veterinary Inspector, Shimoga on account of the large number of pre-mortem and post mortem examinations, that he used to conduct at nearly 30 per day, the Veterinary Inspector prayed that he be granted an allowance of Rs 30/- per month calculated at 6 pies per animal examined by him. The District Veterinary and Live Stock Officer supported the prayer of the Veterinary Inspector and recommended the grant of the allowance prayed for.

The President, Shimoga Town Municipal Council reports in his letter No C2 52/47-48, dated 13-3-48 (copy of which is enclosed for kind perusal) that the provision has been made for the payment of a sum of Rs 120/- in the sanctioned budget of the Municipality for 1947-48 as "Slaughter House inspection allowance" during 1946-47 and that payment of this allowance was not made to the Veterinary Inspector who was in charge for July to November 1946 as he did not conduct inspections and that the Sri Iqbal Rao, the present Veterinary Inspector, who has been in charge from November 1946 may be paid the allowance from November 1946 to June 1947, for which due provision has been made in the budget on the ground that he has conducted examination

The Municipal Council have also considered his application for increased allowance at Rs 10/- P.M., from November 1946 to June 1947 and resolved that allowance and at Rs 20/- P.M. from [illegible] during 1947-48 be paid, the extra expenditure above the sanctioned provision being

p/o

being met from closing balance of the Municipality. In addition of increasing the allowance will be considered and separate recommendation will be made if need be after making necessary provision in the budget estimate for the coming year.

Under these circumstances, I request that sanction of Government may kindly be obtained (1) for payment of the allowance of Rs 70/- per month at the rate of Rs 10/- per month from November 1946 to June 1947 out of the closing balance and (2) for payment of the arrears of ~~Rs 120/-~~ Rs. 120/- at the rate of Rs 10/- per month for 1947-48 out of the Public health head Allowance to Veterinary Inspectors."

Sir, 14/9/48 Rvl 9-48-51

With reference to your letter No I 171 dated 18-8-48 calling for a report as to circumstances under which the allowance of Rs 20/- voted by the Municipal Council is sought to be reduced, I have the honour to state that the recommendation was made limiting the amount to the provision sanctioned within the budget estimate of the year

I will have no objection if the Government consider that the allowances can be increased I personally feel that an allowance of Rs 10/- is small and can be increased to Rs 20/- particularly when the Council is in favour of increased allowances

Subject - Allowance to the Veterinary Inspector Shimoga Grant of.

I have the honour to state that Government in their order No. A.F 3575/A H 72-46-2, dated 20th December 1946 accorded sanction to the payment of allowance at Rs 10/- per mensum to the Veterinary Inspector, Shimoga for the inspection of slaughter house

The then Veterinary Inspector, Mr Gopala Rao was attending to the work of inspection during 45-46 and he was paid the allowance as sanctioned by the Government. As his successor did not continue the work of inspection during the former part of the year 46-47 sanction of Government for the payment of the allowance to the Veterinary Inspector, who conducted inspections during the latter half of the year i e , from November 1946 could not be obtained in time

The Veterinary Inspector who has been attending to this work since November 1946, presented an application on 28-6-47 through the Dist Veterinary and Live Stock Officer, Shimoga requesting for enhancement, of the allowance from Rs 10/- to Rs 30/- per mensem in view of the heavy work turned out by him

This application was considered by the Municipal Council/Special General Meeting held on 28-6-47 when it was resolved that the Veterinary Inspector may be paid allowance at Rs 10/- per mensem from November 1946 to end of June 1947 and at Rs 20/- per mensem from July 1947 onwards and that the extra cost on this account may be met out of the closing balance at the credit of the Municipal Council for the current year

I may add here that on he average 30 animals are being slaughtered everyday and that the present Veterinary Inspector Mr Krishna Rao is not only taking keen interest in his work but also he is discharging it satisfactorily Considering the heavy work that is being turned out by him, the Municipal Council have sanctioned the enhancement of the allowance at Rs 20/- per mensem with effect from 1-7-47

There is provision of Rs 120/- in the Sanctioned Budget for the current year under this head The extra cost on this account will be met out of the closing balance as resolved by the Municipal Council.

I request you therefore kindly to obtain sanction of Government, to the resolution of the Municipal Council for payment of allowance at Rs 10/- per mensem from November 1946 to end of June 1947 and at Rs 20/- per mensem from July 1947 onwards

A copy of the resolution of the Municipal Council together with the application received from the Veterinary Inspector is herewith enclosed for reference

Government Order No L 5506 64—Ml 174 31 1 dated 11th February 1932 passing orders in the matter of the delegation of powers to the Deputy Commissioners in the matter of expenditure incurred by the Town and Minor Municipalities in the State

ORDER No L 3046 102—ML 151 48 1, DATED BANGALORE THE 22ND SEPTEMBER 1948

The delegation of powers referred to in the Government Order read above was made over 16 years ago and since then, there has been a large development of Municipal activity all over the State The powers now exercised by the Deputy Commissioners are found in practice to be very inadequate in relation to the present day standards and Government sanction is being sought in a very large number of cases of comparatively minor importance causing avoidable delay While there was a proposal from some of the Deputy Commissioners that the powers exercised by them in respect of Municipal expenditure should be enlarged, the view that the Town Municipal Councils should themselves be made more responsible than at present in regard to expenditure from out of their funds has been pressed on the attention of Government Government also feel that with the steady growth of democratic institutions in the State and the education of public opinion in Civic consciousness it is but right that the Town Municipal Councils should be entrusted with responsibilities and powers in respect of Municipal finance and that this step will tend to make them take a livelier and more abiding interest in Municipal Administration In this view under Section 183 of the Mysore Town Municipalities Act 1933, and in supersession of all previous orders, Government are pleased to invest the Town Municipal Councils with the power to incur the following items of expenditure out of their funds, subject to the restrictions, conditions and limitations prescribed —

(*a*) Expenditure not exceeding Rs 100 a month for the employment of temporary establishment for a period not exceeding one year on the whole, subject to the conditions that when the cost is to be met out of the closing balance the prescribed minimum balance shall be kept up

(*b*) Expenditure for journey performed outside the limits of the Municipality by the Municipal Employees within the State in the interest of the Municipality

(*c*) Expenditure not exceeding Rs 100 in each case to alleviate distress caused by accidental fires or floods

(*d*) Grants not exceeding Rs 120 per year in each case to reading rooms, libraries, educational and medical institutions, subject to such rules as may be made by Government in this behalf

(*e*) Purchase of stationery upto Rs 100 per year in excess of the expenditure which the Municipal Councils are already empowered to incur under this head

(*f*) Expenditure in connection with the prevention and suppression of epidemics when the cost does not exceed Rs 500 in each case

(*g*) Contributions towards District Conferences up to Rs 150

(*h*) Contributions not exceeding Rs 100 a year in each case to conferences and movements whose objects include medical relief, education, improvement of sanitation and public health, safety and convenience, subject to such rules as may be made by the Government in this behalf

No I 3046 102—Ml 151 18 1, dated 22nd September 1948

(*i*) Payment of rewards not exceeding Rs 25 for detection of smuggled goods

(*j*) Charges not exceeding Rs 250 for printing in private presses when such charges cannot be met by reappropriation

(*k*) Payment of rent for occupation of buildings for Municipal purposes, when the cost does not exceed Rs 50 a month for specified periods only

(*l*) Expenditure not exceeding Rs 100 a month per cart for the employment of conservancy carts for removal of street rubbish or for carrying on any other *bona fide* work of the Municipality for a period not exceeding two years at a stretch

(*m*) Contributions not exceeding Rs 100 per year to the Indian Red Cross Society and the Scout Movement

(*n*) Grant of allowances not exceeding Rs 15 per mensem to Veterinary Inspectors for inspections of slaughter houses, animals brought for slaughter, and meat stalls
